- 3) To advance the education, and to regulate the professional practice, of those who engage in Transition Engineering

Note on the Charity Objects: Definition of Transition Engineering

Transition Engineering is the professional engineering discipline that deals with the application of the principles of science to the design and adaptation of engineered systems that meet the needs of today without compromising the ecological, societal and economic systems on which future generations depend to meet their own needs.

4 Powers of GATE

GATE has power to do anything which is calculated to further its objects or is conducive or incidental to doing so. In particular, the CIO's powers include power to:

- 1) Borrow money and to charge the whole or any part of its property as security for the repayment of the money borrowed. The CIO must comply as appropriate with sections 124 and 125 of the Charities Act 2011 if it wishes to mortgage land;
- 2) Buy, take on lease or in exchange, hire or otherwise acquire any property and to maintain and equip it for use;

The CIO may employ or remunerate a CIO trustee only to the extent that it is permitted to do so by clause 7 ("Benefits and payments to CIO trustees and connected persons") and provided it complies with the conditions of those clauses;
- 5) Deposit or invest funds, employ a professional fund-manager, and arrange for the investments or other property of the CIO to be held in the name of a nominee, in the same manner and subject to the same conditions as the trustees of a trust are permitted to do by the Trustee Act 2000;

- 9) Sell training courses and online services in pursuit of the charitable objects.
- 10) Demonstrate and provide educational methods, materials and facilities for the purpose of the advancement of education, of the understanding of and of the application of all aspects of engineering that appertain to ecological and sustainable living including, but not limited to, mitigation of and adaptation to climate change, reduction of consumption of energy, water and other resources to sustainable levels, the conservation of natural habitats, the protection of species, the minimisation of waste and pollution, the development of sustainable energy, manufacturing, food, water and sewerage systems, eco-building techniques and principles, sustainable food systems and ethical community living.
- 11) Develop methodologies for making positive, sustainable changes happen, and to make such changes happen, using the widest possible range of engineering, technological and other skills and knowledge.
- 12) Do anything legal which furthers the objects.
- 13) Maintain a membership association.

5 Area of Benefit

The area of benefit of GATE is worldwide with no geographic limits.

6 Application of income and property

- 1) The income and property of GATE must be applied solely towards the promotion of the objects.
 - (a) A charity trustee is entitled to be reimbursed from the property of GATE or may pay out of such property reasonable expenses properly incurred by him or her when acting on behalf of GATE.
 - (b) A charity trustee may benefit from trustee indemnity insurance cover purchased at the expense of GATE in accordance with, and subject to the conditions in, section 189 of the Charities Act 2011.
- 2) None of the income or property of GATE may be paid or transferred directly or indirectly by way of dividend, bonus or otherwise by way of profit to any member of GATE. This does not prevent a member who is not also a charity trustee receiving
 - (a) a benefit from GATE as a beneficiary of GATE
 - (b) Reasonable and proper remuneration for any goods or services supplied to GATE.
- 3) Nothing in this clause shall prevent a charity trustee or connected person receiving any benefit or payment which is authorised by Clause 6

7 Benefits and payments to CIO trustees and connected persons

1) General provisions

No CIO trustee or connected person may:

- (a) buy or receive any goods or services from GATE on terms preferential to those applicable to members of GATE or to members of the public;
- (b) sell goods, services, or any interest in land to GATE;
- (c) be employed by, or receive any remuneration from, the CI
- (d) Receive any other financial benefit from GATE.

Unless the payment or benefit is permitted by sub-clause (2) of this clause, or authorised by the court or the prior written consent of the Charity Commission (“the Commission”) has been obtained. In this clause, a “financial benefit” means a benefit, direct or indirect, which is either money or has a monetary value.

2) Scope and powers permitting trustees’ or connected persons’ benefits

- (a) A charity trustee or connected person may receive a benefit from GATE as a beneficiary of GATE provided that a majority of the trustees do not benefit in this way.
- (b) A charity trustee or connected person may enter into a contract for the supply of services, or of goods that are supplied in connection with the provision of services,

to GATE where that is permitted in accordance with, and subject to the conditions in, section 185 to 188 of the Charities Act 2011.

- (c) Subject to sub-clause (3) of this clause a charity trustee or connected person may provide GATE with goods that are not supplied in connection with services provided to GATE by the charity trustee or connected person.
- (d) A charity trustee or connected person may receive interest on money lent to GATE at a reasonable and proper rate which must be not more than the Bank of England bank rate (also known as the base rate).
- (e) A charity trustee or connected person may receive rent for premises let by the trustee or connected person to GATE. The amount of the rent and the other terms of the lease must be reasonable and proper. The charity trustee concerned must withdraw from any meeting at which such a proposal or the rent or other terms of the lease are under discussion.
- (f) A charity trustee or connected person may take part in the normal trading and fundraising activities of GATE on the same terms as members of the public.

3) Payment for supply of goods only – controls

GATE and its charity trustees may only rely upon the authority provided by sub-clause (2)(c) of this clause if each of the following conditions is satisfied:

- (a) The amount or maximum amount of the payment for the goods is set out in a written agreement between GATE and the charity trustee or connected person supplying the goods (“the supplier”).
- (b) The amount or maximum amount of the payment for the goods does not exceed what is reasonable in the circumstances for the supply of the goods in question.
- (c) The other charity trustees are satisfied that it is in the best interests of GATE to contract with the supplier rather than with someone who is not a charity trustee or connected person. In reaching that decision the charity trustees must balance the advantage of contracting with a charity trustee or connected person against the disadvantages of doing so.
- (d) The supplier is absent from the part of any meeting at which there is discussion of the proposal to enter into a contract or arrangement with him or her or it with regard to the supply of goods to GATE.
- (e) The supplier does not vote on any such matter and is not to be counted when calculating whether a quorum of charity trustees is present at the meeting.
- (f) The reason for their decision is recorded by the charity trustees in the minute book.
- (g) A majority of the charity trustees then in office are not in receipt of remuneration or payments authorised by clause 6.

4) In sub-clauses (2) and (3) of this clause:

- (a) “GATE” includes any company in which GATE:
 - (i) holds more than 50% of the shares; or
 - (ii) controls more than 50% of the voting rights attached to the shares; or

- (iii) has the right to appoint one or more directors to the board of the company;
- (b) “connected person” includes any person within the definition set out in clause [30] (Interpretation);

8 Conflicts of interest and conflicts of loyalty

- 1) declare the nature and extent of any interest, direct or indirect, which he or she has in a proposed transaction or arrangement with GATE or in any transaction or arrangement entered into by GATE which has not previously been declared; and
- 2) Absent himself or herself from any discussions of the charity trustees in which it is possible that a conflict of interest will arise between his or her duty to act solely in the interests of GATE and any personal interest (including but not limited to any financial interest).

Any charity trustee absenting himself or herself from any discussions in accordance with this clause must not vote or be counted as part of the quorum in any decision of the charity trustees on the matter.

9 Liability of members to contribute to the assets of GATE if it is wound up

If GATE is wound up, the members of GATE have no liability to contribute to its assets and no personal responsibility for settling its debts and liabilities.

1) Types of general meeting

There must be an annual general meeting (AGM) of the members of GATE. The first AGM must be held within 18 months of the registration of GATE, and subsequent AGMs must be held at intervals of not more than 15 months. The AGM must receive the annual statement of accounts (duly audited or examined where applicable) and the trustees' annual report, and must elect trustees as required under clause [13].

- (i) GATE must reimburse any reasonable expenses incurred by the members calling a general meeting by reason of the failure of the charity trustees to duly call the meeting, but GATE shall be entitled to be indemnified by the charity trustees who were responsible for such failure.

3) Notice of general meetings

- (a) The charity trustees, or, as the case may be, the relevant members of GATE, must give at least 14 clear days' notice of any general meeting to all of the members, and to any charity trustee of GATE who is not a member.
- (b) If it is agreed by not less than 90% of all members of GATE, any resolution may be proposed and passed at the meeting even though the requirements of sub-clause (3) (a) of this clause have not been met. This sub-clause does not apply where a specified period of notice is strictly required by another clause in this constitution, by the Charities Act 2011 or by the General Regulations.
- (c) The notice of any general meeting must:
 - (i) state the time and date of the meeting;
 - (ii) give the address at which the meeting is to take place;

 - (v) include, with the notice for the AGM, the annual statement of accounts and trustees' annual report, details of persons standing for election or re- election as trustee, or where allowed under clause [22] (Use of electronic communication), details of where the information may be found on GATE's website.
- (d) Proof that an envelope containing a notice was properly addressed, prepaid and posted; or that an electronic form of notice was properly addressed and sent, shall be conclusive evidence that the notice was given. Notice shall be deemed to be given 48 hours after it was posted or sent.
- (e) The proceedings of a meeting shall not be invalidated because a member who was entitled to receive notice of the meeting did not receive it because of accidental omission by GATE.

4) Chairing of general meetings

The person nominated as chair by the charity trustees under clause [19](2) (Chairing of meetings), shall, if present at the general meeting and willing to act, preside as chair of the meeting. Subject to that, the members of GATE who are present at a general meeting shall elect a chair to preside at the meeting.

 - (d) If the meeting has been called in any other way and a quorum is not present within 15 minutes of the starting time specified in the notice of the meeting, the chair must adjourn the meeting. The date, time and place at which the meeting will resume must [either be announced by the chair or] be notified to GATE's members at least seven clear days before the date on which it will resume.
 - (e) If a quorum is not present within 15 minutes of the start time of the adjourned meeting, the member or members present at the meeting constitute a quorum.
 - (f) If at any time during the meeting a quorum ceases to be present, the meeting may discuss issues and make recommendations to the trustees but may not make any decisions. If decisions are required which must be made by a meeting of the members, the meeting must be adjourned.
- 6) Voting at general meetings
- (a) Any decision other than one falling within clause [10(4)] (Decisions that must be taken in a particular way) shall be taken by a simple majority of votes cast at the meeting (including proxy and postal votes). Every member has one vote.
 - (b) A resolution put to the vote of a meeting shall be decided on a show of hands, unless (before or on the declaration of the result of the show of hands) a poll is duly demanded. A poll may be demanded by the chair or by at least 10% of the members present in person or by proxy at the meeting.
 - (c) A poll demanded on the election of a person to chair the meeting or on a question of adjournment must be taken immediately. A poll on any other matter shall be taken, and the result of the poll shall be announced, in such manner as the chair of the meeting shall decide, provided that the poll must be taken, and the result of the poll announced, within 30 days of the demand for the poll.
 - (d) A poll may be taken:
 - (i) at the meeting at which it was demanded; or
 - (ii) at some other time and place specified by the chair; or
 - (iii) through the use of postal or electronic communications.

- (f) Any objection to the qualification of any voter must be raised at the meeting at which the vote is cast and the decision of the chair of the meeting shall be final.

7) Proxy voting

- (a) Any member of GATE may appoint another person as a proxy to exercise all or any of that member's rights to attend, speak and vote at a general meeting of GATE. Proxies must be appointed by a notice in writing (a "proxy notice") which:
 - (i) states the name and address of the member appointing the proxy;
 - (ii) identifies the person appointed to be that member's proxy and the general meeting in relation to which that person is appointed;
 - (iii) is signed by or on behalf of the member appointing the proxy, or is authenticated in such manner as GATE may determine; and
 - (iv) is delivered to GATE in accordance with the constitution and any instructions contained in the notice of the general meeting to which they relate.
- (b) GATE may require proxy notices to be delivered in a particular form, and may specify different forms for different purposes.
- (c) Proxy notices may (but do not have to) specify how the proxy appointed under them is to vote (or that the proxy is to abstain from voting) on one or more resolutions.
- (d) Unless a proxy notice indicates otherwise, it must be treated as:
 - (i) allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting; and
 - (ii) appointing that person as a proxy in relation to any adjournment of the general meeting to which it relates as well as the meeting itself.
- (e) A member who is entitled to attend, speak or vote (either on a show of hands or on a poll) at a general meeting remains so entitled in respect of that meeting or any adjournment of it, even though a valid proxy notice has been delivered to GATE by or on behalf of that member.
- (f) An appointment under a proxy notice may be revoked by delivering to GATE a notice in writing given by or on behalf of the member by whom or on whose behalf the proxy notice was given.
- (g) A notice revoking a proxy appointment only takes effect if it is delivered before the start of the meeting or adjourned meeting to which it relates.
- (h) if a proxy notice is not signed or authenticated by the member appointing the proxy, it must be accompanied by written evidence that the person who signed or authenticated it on that member's behalf had authority to do so.

8) Postal Voting

- (a) GATE may, if the charity trustees so decide, allow the members to vote by post or electronic mail ("email") to elect charity trustees or to make a decision on any matter that is being decided at a general meeting of the members.

- (b) The charity trustees must appoint at least two persons independent of GATE to serve as scrutineers to supervise the conduct of the postal/email ballot and the counting of votes.
- (c) If postal and/or email voting is to be allowed on a matter, GATE must send to members of GATE not less than [21] days before the deadline for receipt of votes cast in this way:
 - (i) a notice by email, if the member has agreed to receive notices in this way under clause [22] (Use of electronic communications), including an explanation of the purpose of the vote and the voting procedure to be followed by the member, and a voting form capable of being returned by email or post to GATE, containing details of the resolution being put to a vote, or of the candidates for election, as applicable;
 - (ii) a notice by post to all other members, including a written explanation of the purpose of the postal vote and the voting procedure to be followed by the member; and a postal voting form containing details of the resolution being put to a vote, or of the candidates for election, as applicable.
- (d) The voting procedure must require all forms returned by post to be in an envelope with the member's name and signature, and nothing else, on the outside, inside another envelope addressed to 'The Scrutineers for GATE', at GATE's principal office or such other postal address as is specified in the voting procedure.
- (e) The voting procedure for votes cast by email must require the member's name to be at the top of the email, and the email must be authenticated in the manner specified in the voting procedure.
- (f) Email votes must be returned to an email address used only for this purpose and must be accessed only by a scrutineer.
- (g) The voting procedure must specify the closing date and time for receipt of votes, and must state that any votes received after the closing date or not complying with the voting procedure will be invalid and not be counted.
- (h) The scrutineers must make a list of names of members casting valid votes, and a separate list of members' casting votes which were invalid. These lists must be provided to a charity trustee or other person overseeing admission to, and voting at, the general meeting. A member who has cast a valid postal or email vote must not vote at the meeting, and must not be counted in the quorum for any part of the meeting on which he, she or it has already cast a valid vote. A member who has cast an invalid vote by post or email is allowed to vote at the meeting and counts towards the quorum.
- (i) For postal votes, the scrutineers must retain the internal envelopes (with the member's name and signature). For email votes, the scrutineers must cut off and retain any part of the email that includes the member's name. In each case, a scrutineer must record on this evidence of the member's name that the vote has been counted, or if the vote has been declared invalid, the reason for such declaration.
- (j) Votes cast by post or email must be counted by all the scrutineers before the meeting at which the vote is to be taken. The scrutineers must provide to the

person chairing the meeting written confirmation of the number of valid votes received by post and email and the number of votes received which were invalid.

- (k) The scrutineers must not disclose the result of the postal/email ballot until after votes taken by hand or by poll at the meeting, or by poll after the meeting, have been counted. Only at this point shall the scrutineers declare the result of the valid votes received, and these votes shall be included in the declaration of the result of the vote.
- (l) Following the final declaration of the result of the vote, the scrutineers must provide to a charity trustee or other authorised person bundles containing the evidence of members submitting valid postal votes; evidence of members submitting valid email votes; evidence of invalid votes; the valid votes; and the invalid votes.
- (m) Any dispute about the conduct of a postal or email ballot must be referred initially to a panel set up by the charity trustees, to consist of two trustees and two persons independent of GATE. If the dispute cannot be satisfactorily resolved by the panel, it must be referred to the Electoral Reform Services.

9) Adjournment of meetings

The chair may with the consent of a meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting to another time and/or place. No business may be transacted at an adjourned meeting except business which could properly have been transacted at the original meeting.
